JOINT STIPULATION AND PROPOSED ORDER EXTENDING THE DEADLINE FOR CONDUCTING AN EARLY NEUTRAL EVALUTION SESSION Case No. C-05-00221 MMC

1	3.	On July 30, 2005, the ENE evaluator informed the parties August 18 <sup>th</sup> and 19th	
2	were no longer available. She added that she was in the process of changing employer law firms,		
3	had not been able to hold those dates for the parties, and offered to hold the ENE session on either		
4	August 11 or 12, 2005.		
5	4.	On such short notice, the parties are unable to participate in an ENE session on	
6	August 11 <sup>th</sup> or 12 <sup>th</sup> .		
7	5.	While the parties would still like to participate in ENE, they are unable to schedule	
8	a mutually convenient date prior to the currently scheduled deadline of August 18 <sup>th</sup> .		
9	6.	This is the first time the parties have requested an extension of the ENE deadline in	
10	this case.		
11	7.	For these reasons, the parties are in agreement that the deadline to complete the	
12	early neutral evaluation session should be extended by ninety (90) days. Ninety days would allow		
13	the parties to conduct additional discovery, which would help make the ENE session more		
14	meaningful.		
15	8.	Therefore, pursuant to Civil Local Rule 7-1 and 7-11 and ADR Local Rule 5-5, the	
16	parties jointly request the Court extend the deadline for conducting the early neutral evaluation by		
17	ninety (90) days, which is by the date of November 16, 2005.
